A black and white photograph of a handmade felt doll. The doll has a round face with large, dark, almond-shaped eyes and simple, curved eyebrows. It has a small, smiling mouth. Its hair is made of felt and is styled in a bun with a large, multi-layered flower on top. The doll is wearing a simple, short-sleeved dress with a flared skirt. It has small, simple shoes. The doll is standing on a light-colored wooden table. In the background, there is a white chair and some kitchen items, including what looks like a coffee maker and some bottles. The lighting is soft, and the overall tone is warm and nostalgic.

A iniciativa é destinada a mulheres a partir de 16 anos.

Nesta primeira etapa, serão oferecidas 30 vagas, distribuídas entre os cursos de Boneca de Pano e Costura Criativa. Cada turma terá carga horária de 32 horas, com atividades organizadas em dois períodos de formação.
